

# Pete Sessions will be a great congressman for TX-17 from *day one*.

We the undersigned endorse Pete Sessions for Congress in the July 14th Republican runoff election.

Born and raised in Waco, Pete is a proven conservative. While in Congress Pete voted with President Trump 98% of the time and maintained a 100% lifetime voting record with the Texas Farm Bureau. He is officially endorsed by the National Rifle Association (NRA). And because Pete has a 100% pro-life voting record, he has been endorsed by the Texas Life Coalition.

Pete will do more than vote right. He has a proven record of getting things done in Congress. While serving in the U.S. House, Pete passed more bills and resolutions through the House than any other Texan who has served in Congress in the past 45 years.

Besides being a Waco native and resident, Pete knows this district well, having once represented 40 percent of its counties, before the district's lines were redrawn.

Pete will take his experience and seniority to Congress to fight for us and for Waco. In these difficult times, Waco and its citizens will benefit from having a congressman who can hit the ground running from day one, rather than someone starting out as a freshman and learning the ropes for the first time.
